Questions (please provide your answers in a separate document and turn this in to Dr. Silliman via email).

- 1. Why do you want to take this course?**

- 2. Describe a trip or a situation in the past where you had to put the group's interest ahead of your own.**

- 3. What do you expect to gain from enrolling in a field course that would not be expected from a lecture course?**

- 4. Do you have experience in camping and/or adventure travel? with a group?**

- 5. Describe any previous experience you have had with field research and/or field classes.**

- 6. Describe your swimming capabilities and experience:**

- 7. Are you comfortable swimming long periods of time in a pool?**

- 8. Can you dive under water to touch the bottom of an 8-foot pool?**

- 9. Are you comfortable with and experienced in swimming in the ocean?
If so, describe this experience and your level of skill.**

- 10. Have you snorkeled before in the ocean? If so, describe this experience.**
